

In a church in Hartford, CT where JAXSN was raised.  
He needed to explore the bass guitar / and his God given destiny to any level God would allow.  
Not being in full agreement, He parted from his church, not GOD, and joined a few bands.  
Becoming a successful freelance bass guitar player, Jaxsn found himself playing for many churches, community choirs, events, and studio sessions.

In 1991 JAXSN decided to invest in music production and recording equipment, so he could develop his skills as an audio engineering, music producer, singer, rapper, and songwriter to get his ideas to sound like what he thought was his competition – The Major Record Labels (Jaxsn's results of his commitment and professionalism later became known as the JAXSN).

Six month after the investment, JAXSN was approached by Toy Temptations - Neil Tal and Ken Freda, to produce 10 songs for the music soundtrack to the popular Russian cartoon "The Toysters".

During the cartoon project JAXSN continued to freelance for churches and was approached by MICHAEL O. JACKSON of Horace Bushnell Church, Hartford, CT to be the full time bass player. Later Michael gave Jaxsn the Opportunity to co-produce and record a gospel demo for QUINCY JONES' messiah album. ("Behold a virgin shall conceive") Shortly after, JAXSN decided to relocate from Marlborough, CT to THE OLD COLT FACTORY in HARTFORD, CT and upgrade his studio (JAXSN MUSIC) to major label specifications / quality.

JAXSN developed his musical skills producing various artists in the styles of hip-hop, jazz, Contemporary and traditional gospel, Latin, club, poetry music background, movie sound tracks, rock, rap, voice-overs etc. JAXSN also produced a remix for SWV (RCA) "you're the one for me" DONNA LEWIS (Atlantic) "always forever" (remix), JAXSN has done Sound Design, Live Engineer, Studio Recording for "Women in the kitchen" - live theater and many live performances.

In 1998 JAXSN identified his serious relationship with GOD his LORD and Savior JESUS CHRIST. And decided to test his music abilities with a GOSPEL / POSITIVE ENCOURAGEMENT CD. "JAXSN'S EXTREME GIFT TO GOD"

After the CD was recorded, Jaxsn has been asked to speak on his ideas and values as a young Christian and living a positive lifestyle as a young person, praying for people and getting positive results and Offered two secular recording contracts.

In the 3rd quarter of 2000 Jaxsn heard many words from GOD, one being, "HARD-CORE CHRISTIAN". Jaxsn's Pastor, also heard words from GOD, one being "Jaxsn needs to use his talents on a higher level" Jaxsn decided to seeks His destiny / ministry with a more intense hunger.

Now Jaxsn feels there are no limits to being a creative musician.  
Jaxsn will have one desire from anyone who reads this bio....  
Put Jaxsn to work – Music is who he is, not just what he does.
