To Whom It May Concern,

I am writing this letter of recommendation for Mr. McAuthor Jackson. I have known him for over a year and continue to collaborate with him on several projects focused on youth education. He is a very personable man who is able to creatively connect with students through different musical instruments. I have observed Mr. Jackson working with children through his inspiring program Music-To-Poetry where he transfers his musical talents to kids. It is a wonderful program that he implemented in after school programs through a non-profit organization. It is a program appropriate for kids of different creed, age and backgrounds as well as adults. He is patient and quite knowledgeable of his artistic venue. The children respond to him very positively and he is definitely an asset to any community. If you have any questions please feel free to contact me at 860-982-6649 or srhey@sbcglobal.net.
