To Whom it May Concern:

I have been asked to write a reference letter for McArthur Jackson, owner of JAXSN Music and I am happy to do so.

The best I can say may not be a sufficiently good reference for Mr. Jackson.

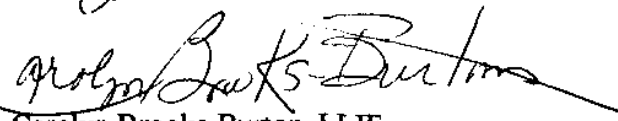

I met McArthur a few years ago when he performed at our annual LEVAS Gospel Festival and Fair in Bushnell Park and have consulted with him on numerous occasions about his musical expertise or to have him produce music for our community choir.

I am especially impressed with Mr. Jackson because he has a passion for our trouble youth. Very often we have had discussions about how he would like to become more involved in using his musical abilities of songwriting and producing to teach them life skills.

With McArthur's willing attitude, his faith in God and his passion for giving back to his community, I know that whatever he tries, he will rise to the top and the people around him will be better for having known such a great young man; and as a Community Leader I highly recommend McArthur Jackson of Jaxsn Music as a True Man of Standard who will give his best, do his best and require in return nothing but the best.

If you have any questions, please call me at (0at (860) 243-8734.

Sincerely,

Carolyn Brooks-Burton, LLIF
